

# My HERO

Rescue REMY, STEVEN'S girlfriend, from the evil hands of the enemy! MY HERO is a youthful love adventure game in which STEVEN, a kung fu master, finds himself in the midst of many hectic battles.

STEVEN, a kung fu master, is attempting to rescue his girlfriend, REMY, who has been kidnapped by his ruthless opponents! With comical background music, rounds change (WARP) one after another from the **PRESENT STREET** scene, to the **PAST NINJA HOUSE** scene and on to the **ULTRA-FUTURE SPACE FORTRESS** scene. The player defeats his foes by throwing a barrage of relentless and effective blows such as flying kicks, arm thrusts, etc. The excitement reaches its climax when the player battles against the enemy's boss on the beach. Many points can be scored when you hit the opponents with 10 damaging blows before they do the same to you. A funky melody and amusing facial expressions make this adventure game for the "young-at-heart" almost as much fun to hear and watch as it is to play.

## HOW-TO-PLAY

- ① To rescue REMY, maneuver STEVEN by using the **ATTACK** button and the **JOYSTICK** to apply various techniques in an effort to defeat the very formidable enemies.
- ② Push the **JUMP** button to make STEVEN jump.
- ③ At the end of each "one" round, a beach battle scene appears where the player competes against the enemy's boss. Defeating him results in your rescuing REMY and adding many points to your score.
